Did you know free continuing education is a benefit of being a Tau Tau member? It is! We offer two CE events per year and the first 2024 event is coming up in April! Our second one will be in October to celebrate Founder's Day!

Before the education we have a
General Membership Meeting, so come
join us and hear what's going on in
your chapter, meet some new friends
then stay for one free contact hour to
use for your license renewal this year!
Yes, that's this year for
Nebraska nurses!

There is a virtual option, but we highly encourage those in town to come to the college!

Development Opportunites

Leadership Intern Benefits Application

• The opportunity to be mentored by other nursing professionals and leaders • Networking with members and potential members • Developing professional leadership and service competencies • Being recognized at the annual chapter induction ceremony • Membership dues for the following membership cycle will be paid in full by the Tau TauChapter.

Mentors

We have mentors available to any member who is looking for guidance, whether it is seeking guidance in applying for your first job, or learning more about communication or conflict management or developing leadership skills. We have a mentor for you!

These positions are a great way to get involved to build your leadership skills and to advance the nursing profession!

If you have ideas on activities and programs to offer or are a social media guru, reach out to Tara Whitmire!

Star Award Nominations

It is also time to nominate a deserving member for the Star Award! This is given out annually to a member to recognize work in the areas of scholarship, leadership, and/or service. Please take time to nominate a colleague today. Unsure if they are a member, check out the Members tab on the website to see all current members of the chapter. If you don't see their name, encourage them to join as a nurse leader!
